

**NATIONAL INSTITUTE OF HYDROLOGY, ROORKEE**  
(RMO DIVISION)

Date: 5 September, 2016

**NOTICE**

With a view to regulate the request for training/internship/dissertation of UG & PG students at National Institute of Hydrology, the following revised guidelines may please be noted for compliance (follow up of office Order No. 6/14/2016-NIH(SAO) dated 29 July,2016):

1. Students with subjects which are covered in the educational qualifications prescribed in the RR of scientists at NIH will be allowed for training/internship/dissertation.
2. Not more than 7 students in a session from each Institution/ Organisation will be permitted (subject to screening based on the CV).
3. Enclosures required: CV with details of marks obtained until previous semester/session.
4. Minimum duration of training/Internship is 3 months and for dissertation is 5 months.
5. Training Fee (for training/internship only) is Rs. 5,000/- (this excludes any expenses of stay in NIH campus, if so required).
6. Applications for internship/ dissertation will be accepted until 30 April in Summer Session and 30 November in Winter Session.
7. The permitted trainee student will first report to the Training Cell (RMO Division) and from there shall be directed for training at the specified Division/Unit.
8. Accommodation at NIH guest house may be provided for the first 15 days of training /internship /dissertation, subject to availability.
9. Request for training/internship/dissertation should be addressed to the Director, National Institute of Hydrology, Roorkee-247667.
