Nodal Officer / Training Coordinator
National Hydrology Project

Sub: Organization of a 5-Days Training Course on “Groundwater Quality Monitoring and Assessment” during June 3-7, 2019 at NIH, Roorkee

Dear Sir,

National Institute of Hydrology (NIH), Roorkee is organizing a **5-Days Training Course on “Groundwater Quality Monitoring and Assessment” during June 3-7, 2019 at NIH, Roorkee** under National Hydrology Project as part of Purpose Driven Study (PDS) titled “Groundwater Quality Assessment with special reference to Sulphate contamination in Bemetara District of Chhattisgarh State and ameliorative measures”.

There is no registration fee for the participants from the States/ Central Agencies covered under NHP to attend the course. The TA/DA of the participants would have to be borne by their respective organizations. The accommodation for the participants of the Training Course shall be arranged in Guest Houses of NIH. It is requested to kindly nominate 2-3 participants for attending this 5-days Training Course and communicate the same to the undersigned.

Thanking you.

Yours sincerely

M. K. Sharma
Course Coordinator
