

A. Books Published

1. Jain, C.K., Trivedi, R.C. and Sharma, K.D. (editors), "Water quality: Monitoring, modelling and prediction", Allied Publishers, New Delhi, 2004.

B. Chapters in Books

1. Ali, Imran, Gupta, V.K. and Hassan Y. Aboul-Enein, Advances in Chiral pollutants analysis by capillary electrophoresis, In: Encyclopedia of Chromatography (edited by J. Cazes), Marcel Dekker Inc., New York, USA, 92-100, 2004.
2. Bhar, A.K., "Development of springs – Dependable local source for hilly areas", In: Water Security and Management of Water Resources, National Atlas and Thematic Mapping Organization, Govt. of India, 1st Edition, 2004.
3. Jha, R., Singh, V.P., Ojha, C.S.P., and Bhatia, K.K.S., "Surface water pollution", In: The Encyclopedia of Water, John Wiley & Sons Inc., 605 Third Avenue, New York, USA.
4. Sharma, K.D. and Jain, Sanjay K., "Monitoring and management of water resources", In: Geoinformatics Applications for Sustainable Development (Edited by: A.K. Singh, U.K. Chopra, D.K. Das and R.N. Garg), Indian Agricultural Research Institute, New Delhi, 64-72, 2004.
5. Sharma, K.D., Pandey, R.P. and Mishra, P.K., "Hydrological drought (Assessment methods for streamflow and groundwater)", In: Drought Management Strategies in India (Edited by J.S. Samra), Indian Council of Agricultural Research, New Delhi, January, 2005.
6. Sharma, K.D., Kumar, B. and Gupta, S.K., "Advances in hydrology and water resources research in India", In: Glimpses of Geoscience Research in India: The Indian Report to IUGS 1999-2004 (Edited by: A.K. Singvi and A. Bhattacharya), Indian National Science Academy, New Delhi, 1-4, 2004.
7. Singh, Pratap and Lars Bengtsson, "Assessment of snow covered area using air temperatures for a mountainous basin", In: Climate and Hydrology in Mountain Areas (Edited by: C. De Jong, D. Collins and R. Ranzi), John Wiley & Sons Ltd., UK., 2005.
8. Venkatesh, B., Purendara, B.K. and Chandramohan, T., "Analysis of spatial variability of hydraulic conductivity of forest soils", In: Integrated Water Resources Planning and Management (Edited by: K. S. Raju, A. K. Sarkar, M. L. Dash), Jain Brothers, New Delhi, 125-133, 2004.

C. Research Papers in International Journals

1. Agarwal, Avinash, and Singh, R.D., "Runoff modeling through back propagation artificial neural network with variable rainfall-runoff data", *Water Resources Management*, 18, 285-300, 2004.
2. Agarwal, Avinash, Singh, R.D., Mishra, S.K. and Bhunya. P.K., "ANN-based sediment yield models for Vamsadhara river basin (India)", *Water, South Africa*, 31(1), 2005.
3. Ali, Imran and Hassan Y. Aboul-Enein, "Fast screening of phenol and its derivatives in wastewater by hplc using monolithic silica column and solid phase extraction", *Anal. Lett.*, 37: 2351-2361, 2004)
4. Ali, Imran and Jain, C.K., "Advances in arsenic speciation techniques", *Int. J. Environ. Anal. Chem.*, 84(12), 947-964, 2004.
5. Arora, Manohar, Goel, N.K. and Singh, Pratap, "Evaluation of temperature trends over India", *Hydrological Sciences Journal*, 50(1), 81-93, 2004.

6. Bhunya, P.K, Mishra, S.K., Ojha, C.S.P., Ronny Berndtsson, "Parameter estimation of beta-distribution for unit hydrograph derivation", *Journal of Hydrologic Engineering*, ASCE., 9(4), 325-332, 2004.
7. Ghosh, N.C., Mishra, G.C. and Ojha, C.S.P., "Hybrid-cells-in-series model for solute transport in a River", *Journal of Environmental Engineering*, ASCE, 130(10), 1198-1209, 2004.
8. Gupta, V.K., Ali, Imran and Saini, V.K., "Removal of Chlorophenols from wastewater using red mud: An aluminum industry waste", *Environ. Sci. & Technol.*, 38: 4012-4018, 2004.

100. Singh, Pratap, "Climate change and Himalayan water resources", *International Workshop on Deglaciation: Impacts and Adaptations for Water Resources and Livelihood in the Himalayas*, ICIMOD (Nepal), CEH (U.K.) and JNU (India), New Delhi, April 27-28, 2004.
101. Singh, Pratap, "Climate change and water related disasters", *Workshop on Indo-EU Project: Climate Change Natural Disasters*, Hyderabad University, Hyderabad (A.P.), August 16, 2004.
102. Singh, Pratap, Singh, R.D., and Sharma, K.D., "Runoff forecasting and estimates of suspended sediment for sustainable development of hydropower schemes in the Himalayan region", *India Hydro 2005: International conference cum Exhibition*, New Delhi, February 19-21, 2005.
103. Singh, Pratap, "Simulating the effect of climate change on melt runoff distribution and yield for a Himalayan river", *International Conference on Hydrology of Mountain Environments*, Berchtesgaden, Germany, 27 September - 1 October 2004.
104. Singh, Ranjeet, Singh, Ranvir and Pandey, R.P., "Dry spell analysis for supplemental irrigation planning in Ambala region in Haryana", *International Conf. on Hydrological Perspectives for Sustainable Development (HYPESD-2005)*, IIT, Roorkee, 473-484, February 23-25, 2005.
105. Sudheer, K.P., Nayak, P.C., "Development of a rainfall-runoff model using neuro-fuzzy technique for river flow forecasting", *International conference on Sustainable Water Resources Management in Changing Environment of the Monsoon Region*, Colombo, Srilanka, 236-243, 2004.
106. Vijaya Kumar, S.V., "Sustainable groundwater development in some alluvial aquifer systems along delta plains in India", *International Symposium on Groundwater Sustainability Indicators*, IAHS, Fozdo Iguaca, Brasil, April 3-9, 2005.
107. Vijaya Kumar, S.V., "Water budgeting as signature to identify the threat of upstream development in a river basin", *Ninth International Symposium on River Sedimentation*, Tsinghua University Press, China, Vol. II, 507-514., October 18-21, 2004 .

F. Research Papers in National Conferences

108. Agarwal, Avinash, "Training of artificial neural network models", *Workshop on artificial neural network and its applications in water resources*, CWC, New Delhi, June 9, 2004.
109. Ali, Imran, "Chiral analysis of *o,p*-DDT in wastewater by high performance liquid chromatography and solid phase extraction", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, 179-183, November 22-23, 2004.
110. Ali, Imran, Gupta, V.K., and Saini, V.K., "Solid phase extraction of phenols from wastewater", *11th Symposium of hydrology on focal them of water quality*, NIH, Roorkee, India, 152-156, November 22-23, 2004.
111. Bhar, A.K., Dwivedi, V.K., "A brief report on survey of lakes of India", *National Seminar on Survey, Conservation and Utilisation of Water Resources*, Ramkrishna Vivekanand Mission Institute of Advance Studies, Kamarpati, Kolkatta, January 21-22, 2005.
112. Bhunya, P.K., and Jain, S.K., "Flood estimation in ungauged catchments using non-dimensional analysis to regional data", *Symposium on Predictions in Ungauged Basins - PUBSWRPM*, BITS, Pilani, India, October 2004.
113. Chakravorty, B., "Use of decision support system in water resources planning", *Training Manual on 'Development, Evaluation and Utilization of Efficient Irrigation Technologies'*, NATP, Centre for Team of Excellence on Pressurised Irrigation Systems, ICAR-RCER, Patna, 101-116, August 12 – September 1, 2004.
114. Durbude, Dilip G., "Remote sensing application for hydroge-omorphological analysis of a watershed", *HYDRO-04*, Nagpur, December 27-28, 2004.
115. Galkate, Ravi, Nayak, T.R. and Thakural, L.N., "Effect of land treatment on runoff behaviour", *National Seminar on Forest, Water and People (FORWAP-2004)*, Deccan Hard Rock Regional Centre, Belgaum, July 29-30, 2004.
116. Goel, N.K. and Lohani, A.K., "Emerging trends in hydrologic research with special reference to water resources engineers", *Refresher Course on Water Resources Management*, Jadhavpur University, Kolkata., June 28- July 17, 2004,
117. Goyal, V.C., "Hydrology of small watersheds- new technologies and approaches", *Workshop on Integrating Watershed Technologies with Traditional Approaches of Watershed Management for Eastern and North-Eastern Region'* School of Fundamental Research, Kolkata, December 28-30, 2004.
118. Jain, C.K., Rao, Y.R.S. and Vijay, T., "Fluoride contamination in ground water of Nalgonda District, Andhra Pradesh", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, pp. 340-348, 2004.
119. Jain, C.K., "Gas chromatography and its applications for the analysis of pesticides in water and wastewater", *Training Programme on Pest Management in Buildings for Pest Management Professionals* (edited by B. S. Rawat), CBRI, Roorkee, pp. 128-142., 2004.
120. Jain, C.K., Keshari, A.K., and Sharma, M.K., "Assessment of ground water quality in western and north-eastern regions of Rajasthan", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, pp. 331-339, 2004.
121. Jain, C.K., Singhal, D.C. and Sharma, M.K., "Water quality and pollution aspects of Hindon River system", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, pp. 166-178, November 22-23, 2004.
122. Jain, S.K., "Interlinking of Indian Rivers - Challenges and Prospects", *National Conference: Basin Planning in UP*, State Water Resources Agency, Lucknow, October 2004.
123. Jain, Sharad K. and Goel, M.K., "Development of package for multi-reservoir systems analysis ay NIH", *National Workshop on Integrated Water Resources Assessment, Development and Management (IWRADM)*, Chennai, pp. 1-8, September 23 – 24, 2004.
124. Jeyakanthan, V.S., Shanti, S, and Satyaji Rao, Y.R., "Sedimentation study of Vaigai reservoir using remote sensing techniques", *National Seminar on Climate Change and variability, Environmental Impact Assessment and Remote Sensing and GIS in Environmental Studies*, Anna University, Chennai , 57, January 27-28, 2005.

125. Jha, R. and Sharma, K.D., "Surface water quality and its control", *National Symposium on water quality*. Water Resources Department, Kolkata, October 14-15, 2004,
126. Jha, R., Sharma, K.D., and Jeyaseelan, R., "Role of Indian National Committee on Hydrology in strengthening R&D for future water scenario", *Role of R&D in water sector*, NWA, Pune, September 9-10, 2004.
127. Jose, Mathew K., Kumar, C.P. and Bhar, A.K., "Sustainable use of groundwater in north-west India: Database requirements", *Seminar on Sustainable Use of Groundwater in North-West India*, Centre for Advancement of Sustainable Agriculture (CASA), New Delhi, April 13, 2004.
128. Khobragade S.D., Rathore, D.S., Ojha, C.S.P., Bhatia, K.K.S., "Estimating evapotranspiration losses from Pichhola lake catchment with special reference to forests", *National seminar on Forest, Water and People(FORWAP- 2004)*, Belgaum, July 29- 30, 2004.
129. Khobragade, S.D. and Bhatia. K.K.S., "Preliminary assessment of trophic status of Lake Pichhola, Udaipur (Rajasthan)", *11th National Symposium on Hydrology with focal theme on Water quality*, NIH, Roorkee, pp. 228-240, November 22-23, 2004.
130. Kumar, C.P., "Basic conceptions for groundwater modeling", *National Conference on Sustainable Management of Water Resources*, Junagadh (Gujarat), India, January 28-29, 2005.
131. Kumar, C.P., "Artificial groundwater recharge: A perspective", *National Conference on Resource Conserving Technologies for Social Upliftment*, New Delhi, December 7-9, 2004.
132. Kumar, C.P., "Groundwater assessment methodology", *Electronic Proceedings (CD), XXIII Annual Convention of AHI and National Seminar on Water Resources Management & People's Participation*, Baroda, December 10-11, 2004.
133. Kumar, Rakesh, Sarkar, A., Kumar, Sanjay, Lohani, A.K., and Singh, R.D., "Prediction of floods of various return periods for gauged and ungauged catchments using L-moments based regional frequency analysis", *Symposium on Prediction in Ungauged Basins for Sustainable Water Resources Planning and Management*, BITS, Pilani, October 30, 2004.
134. Kumar, Rakesh., "Development of regional flood frequency relationships using L-moments for gauged catchments of Mahi and Sabarmati Subzone 3(a)", *National Conference on Sustainable management of Water Resources*, College of Agricultural Engineering and Technology, Junagadh Agricultural University, Junagarh, Gujarat, Jan. 27-29, 2005.
135. Kumar, S.R., Jain, C.K., and Bhatia, K.K.S., "Iron toxicity in ground water of Greater Guwahati, Assam", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, 407-414, 2004.
136. Lohani, A.K., Singh, R.D., and Sharma, K.D., "Flood problems and management practices in India", *Workshop on Flood & Drought Management*, CBIP, September 16-17, 2004.
137. Lohani, A.K., Kumar, Rakesh, Nema, R.K., and Singh, R.D., "GIUH based approach for design flood estimation", *Symposium on Prediction in Ungauged Basins for Sustainable Water Resources Planning and Management, PUBSWRPM-2004*, BITS, Pilani, October 30, 2004.
138. Lohani, A.K., Singh, R.D., and Sharma, K.D., "Integrated basin development for drought management", *Workshop on Flood & Drought Management*, CBIP, September 16-17, 2004.
139. Majumdar, P.K., Rao, P.R., "Estimation of aquifer parameter in Anantpur district of Andhra Pradesh", *Seminar on Assessment and Management of Water Resources (AMWR-2004)*, Bangalore, July 2004.
140. Majumdar, P.K., Sekhar, M., Sridharan, K., Mishra, G.C., "Impact assessment of well recharge on regional baseflow", *National Seminar on Survey, Conservation and Utilization of Water Resources*, Kolkata, January 2005.
141. Palo, K.C., Ghosh, N.C. and Mishra, G.C., "An analysis of minimum flow requirement in a river from ecological considerations", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, 3-16, November 22-23, 2004.

142. Pandey, R.P. and Mishra, S.K., "Water conservation techniques", *National Hindi Workshop on House Building and Water Conservation*, CBRI, Roorkee, September 23-24, 2004.
143. Pandey, R.P., Mishra, S.K., Jain, M.K., Singh, Ranvir, and Ramasastri, K.S., "Assessment of low flow and stream flow drought severity in Ken Basin", 11th National Symposium on Hydrology with Focal Theme on Water Quality, NIH, Roorkee, 59-69, Nov. 22-23, 2004.
144. Patwary, B.C., Panigrahy, N., and Kumar, S.R., "Conjunctive use of surface and ground water for efficient management of irrigation water", *19th Water Resource Day*, Institution of Engineers (I) at Guwahati, 7-13, May 31, 2004.
145. Patwary, B.C., and Panigrahy, N., "Rotational water delivery system: Means to improve irrigation project efficiency under deficiency scenario", *19th Water Resource Day*, Institution of Engineers (I) at Guwahati, 14-17, May 31, 2004.
146. Purandara, B.K. and Varadarajan, N., "Estimation of BOD-DO relationship using Streeter Phelp's model - A case study", *HYDRO-04*, Nagpur, December 27-28, 2004.
147. Rai, S.P. and Rawat, J.S., "Analysis of spring discharge under different geo-ecological conditions of Khulgad watershed, Lesser Himalaya, Uttaranchal", *National Symposium on Forest, Water and People*, NIH-RC Belgaum, Karnataka, July 29-30, 2004.
148. Rai, S.P., Kumar, Bhishm, Nachiappan, Rm.P., and Garg, Pankaj, "Impact of urbanisation on chemical characteristics of Lake Nainital in Kumaun Lesser Himalaya", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, 241-251, November 22-23, 2004.
149. Rao, M.S., Kumar, Bhishm, Verma, S.K., and Jagmohan, "Isotopic and chemical investigations of groundwater quality in Haridwar and Saharanpur districts", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, 397-406, 2004
150. Sapra, T.R., Jha, Ramakar, Bhatia, K.K.S., "Effect of biological parameters on stream water quality - An Indian scenario", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, 196-208, November 22-23, 2004.
151. Sarkar Archana, Jain, S.K., and Chowdhary, Anju, "Land use classification using rationing approach", *ISRS National Symposium on Converging Space Technologies for National Development*, Birla S&T Centre, Jaipur, November3-5, 2004.
152. Sarkar, Archana., Agarwal, Avinash, Singh, R.D. and Jain, Sanjay K., "Artificial neural networks for daily rainfall runoff modelling in Satluj basin, India", *Hydrological perspectives for sustainable development*, IIT, Roorkee, February 23 - 25, 2005.
153. Sarkar, Archana and Chouhan, P.K.S., "Jalsangrakshan ke liye varsha jal sanchayan ka mahatav", *Workshop on Bhavan Nirman Udyog evam Jal Sangrakshan*, CBRI, Roorkee, September 23, 2004.
154. Sarkar, Archana, Jain, Sanjay K., and Chaudhary, Anju, "Expert system approach for Landuse/landcover classification", *ISRS National Symposium on Converging space technologies for National Development*, Birla S & T Centre, Jaipur, November 3-5, 2004
155. Sharma, Anupma and Kumar, S., "Modeling and management of shallow aquifer system in Krishna Delta", *National Conference on Sustainable Management of Water Resources*, Junagadh University, Junagadh, 148-155, January 28-29, 2005.
156. Sharma, Anupma, "Effect of aquaculture on groundwater salinity in coastal aquifers", *Seminar on Modern Trends in Groundwater Exploration, Conservation and Protection*, Osmania University, Hyderabad, 22, February 25-27, 2005.
157. Sharma, K.D. and Goyal, V.C., "Integrated watershed management with reference to forest influences on hydrological regimes", Keynote address at *National Symposium on Forests and Water Conservation - Myths and Realities*, Forest Research Institute, Dehradun, June 8-10, 2004.
158. Sharma, K.D. and Kumar, Sanjay, "Water Resources of India: Challenges and Perspectives", *National Conference on Resource Conserving Technologies for Social Upliftment*, CSWCRATI, Dehradun, December 7-9, 2004.

159. Sharma, K.D. and Singh, Pratap, "Impact of climate change on the management of floods and droughts", *Workshop on Flood and Drought Management*, CBIP, New Delhi, September 16-17, 2004.
160. Sharma, K.D., Ghosh, N.C. and Jain, C.K., "Wastewater reuse and recycling: A sustainable potential alternative to water resource", *National Conference on Water Quality Issues – 2004*, Ministry of Water Resources, Govt. of India, Kolkata, 117-138, October 14-15, 2004.
161. Singh, Omkar, Bhatia, K.K.S., Jha, R., Kumar, Vijay and Rai, S.P., "Hydrological field investigations under forest landuses with particular reference to infiltration, permeability and soil moisture characteristics in Jammu, Kathua and Udhampur Districts (J&K)", *National Symposium on Forest, Water and People*, NIH-RC, Belgaum, Karnataka, July 29-30, 2004.
162. Singh, Pratap and Sharma, K.D., "Snow and Glacier hydrology: A vision paper", *Brainstorming Session on Receding Glaciers in Indian Himalayan Region*, G.B. Pant Institute of Himalayan Environment and Development, Almora (U.A), September 11, 2004.
163. Singh, Pratap, Bhatnagar, N.K., Kumar, Naresh, Umesh.K. Haritashya and Singh, Yatveer, "Water quality and suspended sediment concentration analyses of the Gangotri Glacier melt water", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, 213-219, November 22-23, 2004.
164. Singh, Pratap, "Estimation of melt runoff and degree-day factors", *Workshop on Indian Antarctic Research Program: Achievements of 23rd and Planning for 24th Antarctic Expedition.*, NCAOR, Goa, July 19-20, 2004.
165. Singh, Surjeet, Thakural, L.N. and Jaiswal, R.K., "Effect of seepage and porosity on transient falling water table in subsurface drainage", *National Conference on Sustainable Management of Water Resources*, CAET, JAU, Junagadh, Gujarat, January 28-29, 2005.
166. Thakural, L.N., Galkate, R.V. and Thomas, T., "Water quality aspects for utilization of Sagar lake", *11th Symposium of hydrology on focal them of water quality monitoring, modeling and prediction*, NIH, Roorkee, India, 209-212, November 22-23, 2004.
167. Verma, S., D. Khare, and S.K. Jain (2005), "Urban water management: issues and challenges", *National Conference on Sustainable Management of Water Resources*, Junagadh Agricultural University, Junagadh, January 2005.
