

A. Books Published

1.	Lohani, A.K. and Jain, Sanjay (Editors), 'Flood Risk Management' Proceedings of the Workshop on Flood Risk Management, Jointly Organised by The Institution of Engineers (India) Roorkee Local Centre and National Institute of Hydrology, Roorkee, November 26-27, 2009.
2.	Ojha, C.S.P., Berndtsson, R., Bhunya, P.K. (Authors), "Engineering Hydrology (Second Ed.)", by Oxford University Press, (Revised ISBN-10:0-19-569461-9), 2009.
3.	Patwary, B.C., Deb Krori, K.G., Jain, C.K., Kakati, N. and Misra, A.K. (Editors), Proc. Seminar on Shared Water – Shared Opportunities, The Institution of Engineers (India), Assam State Centre, Guwahati, 30 May, 2009.

B. Chapters in Books

1.	Jain, S.K., Sharma, B.R., Zahid, A., Jin, M., Shreshtha, J.L., Kumar, Vijay, Rai, S.P., J.Hu, Y. Luo, and D. Sharma, "A comparative analysis of the hydrogeology of the Indus-Gangetic and Yellow River basins", In: Aditi Mukherji, Karen G. Villholth, Bharat R. Sharma, Jinxia Wang (Eds), Groundwater Governance in the Indo-Gangetic and Yellow River Basins Realities and Challenges, Francis and Taylor, USA, 2009.
2.	Kumar, Bhishm and Rai, S.P., "Groundwater resource and management in mountainous region", In: Mountain People and Environment, a publication of Soil Conservation Society of India, New Delhi, 2009.
3.	Kumar, U. Saravana and Kumar, Bhishm, "Isotope Limnology-Some Indian Case Studies" In: Horizons in Earth Science Research, Chapter-9, Volume 1: ISBN: 978-1-60741-221-2: Editor: Benjamin Veress and Jozsi Szigethy, Nova Science Publishers, Inc, 2009.

C. Research Papers Published in International Journals

1.	Arora, M., Rathore, D.S., Singh, R.D., Kumar, Rakesh and Kumar, A., "Estimation of melt contribution in River Bhagirathi and River Dhauliganga at Loharinag Pala and Tapovan Vishnugad sites", International Journal of Water Resources and Protection, II, 636-643, 2010.
2.	Avinash Agarwal, R.K. Rai, Alka Upadhyay, "Forecasting of runoff and sediment yield using artificial neural networks", Journal of Water Resource and Protection, (1), 304-312, 2009
3.	Bandyopadhyay, A., Bhadra, A., Raghuwanshi, N.S. and Singh, R., "Temporal trends in estimates of reference evapotranspiration over India", ASCE J. Hydrologic Engineering, 14(5), 508-515, 2009.
4.	Bhadra, A., Bandyopadhyay, A., Singh, R. and Raghuwanshi, N.S., "Rainfall-runoff modeling: Comparison of two approaches with different data requirements", Water Resources Management, 24, 37-62, 2010.
5.	Bhunya, P.K, N. Panigrahy, R Kumar and Ronny Berndtsson, "Development of a Regional Non-Dimensional Return Period Flood Model", J of Water Resources Management, Springer, UK., 4 (7), 2010.

6.	Bhunya, P.K, R.D.Singh, Rakesh Kumar and Ronny Berndtsson, "Flood analysis using Negative Binomial and Generalized Pareto models in Partial Duration Series (PDS): at site analysis". Water Resources Res. (Ref No-2009WR008287), 2009.

97.	Venkata Ramana R., Pandey N.G., Chakravorty B., and Mani P., “Urban Runoff Simulation of Patna Town”, International Conference on Technology Innovation & Management for Sustainable Development, Institute of Allied Sciences & Computer Applications ITM Universe, Sithouli, Gwalior (M.P.), 2009.
98.	Venkatesh, B., Lakshman Nandagiri, Purandara, B.K. and Reddy, V.B., “Modeling soil moisture under different land covers – A case study from Western Ghats, India”, International Conf. on 3 rd International Perspective on Current & Future State of Water Resources & the Environment, organized by Indian Institute of Technology, Madras, Chennai, India, January 5-7, 2010.

F. Research Papers in National Conferences

99.	Agarwal P. K., M. Arora, D.S. Rathore, “Hydrology and water resources of Uttarakhand”, Regional Workshop on Water management and Hydrochemistry in Uttarakhand, CGWB, Dehradun, Uttarakhand, February 18- 19, 2010.
100.	Agarwal, N., Arora, M., Goel, N.K. and Arya, D.S., “Estimation of snow cover area in Bhagorathi catchment upto Tehri Dam site”, Hydro -2009, National Seminar Hydropower Stations – Advancement in Harnessing & Up Keeping. Dehradun. 110 – 121, July 2–3, 2009.
101.	Arora, M., Kumar, Rakesh and Singh, R.D., “Impact of climate change on water resources”, National Conference on “Earth System Processes and Disaster Management”, NCAOR, Goa, 30, 15 – 17 September 2009.
102.	Arora, M., Singh, R.D. and Kumar, Rakesh, “Hydropower development of Indian Himalayas in the face of climatic and hydrological uncertainties”, Hydro -2009, National Seminar Hydrpower Stations – Advancement in Harnessing & Up Keeping. Dehradun, 84 – 97, July 2 – 3, 2009.
103.	Bandyopadhyay, A. and Patwary, B.C., “Climate change: Hydro-meteorological observations and modelling in transboundary snow covered and glacierized basins”, Proc. Seminar on Shared Water – Shared Opportunities, The Institution of Engineers (India), Assam State Centre, Guwahati, pp.14-30, May 29, 2009.
104.	Bhatnagar, N.K., and A.K. Lohani, “Potential Impact of Climate Change on South Asian Water Resources, and Adaptation Strategies”. National Symposium on Climate Change and Water Resources of India (CCWRIN), Organised by Indian Association of Hydrologists, Roorkee, November 18-19, 2009,
105.	Chakraborty, B., Pandey, N.G., and Ramana, R.V., “Conjunctive use of surface and groundwater – A case study in Lower Gandak command of Bihar”, UGC-sponsored national seminar on ‘Sustainable development of water resources in Indo-Gangetic plain’, Department of Geology, Patna University, pp. 11-25, March 12-13, 2010.
106.	Chalisgaonkar D. and Panigrahy N., “Development and Implementation of an e-

	Learning Package on Hydrology”, Quality of Professional Education in Present Era, Institution of Engineers, July 25-26, 2009, Dehradun.
107.	Durbude, D.G., “Assessment of Sedimentation in Major Reservoirs of Hard Rock Terrain India”, Proceedings of National Symposium on “Climate Change and Water Resources in India (CCWRIN)”, organized by Indian Association of Hydrologist, NIH Roorkee, November 18-19, 2009.
108.	Ghosh, N.C. and R.D. Singh, “Sustainable Management of Water Resources”, Keynote paper presented in the Two day Policy Support Brainstorming on safe Water for Rural & Urban India, organized by The National Academy of Sciences, India at Allahabad, 9-10 July, 2009.
109.	Ghosh, N.C., “Ground Water Quality Management: The Emerging Challenges and Options with special reference to Uttar Pradesh” keynote paper presented in the State Level Workshop on Ground Water Management in Uttar Pradesh- Challenges, Priorities & Strategie, org. by State Water Resources Agency, Lucknow, August 20-21, 2009.
110.	Goel, M. K. and Jain, S. K., “Operation analysis of Pandoh reservoir under different climate change scenarios”, National Symposium on Climate Change and Water Resources in India, Organised by IAH at NIH, Roorkee, pp. 29, 18 - 19 November, 2009.
111.	Goel, M. K., “Performance analysis of reservoirs under different climate change scenarios”, paper presented in the National Workshop on “Impact of climate change on water resources in India” organized by NIH, CSMRS, N. Delhi, July 21, 2009.
112.	Gosh, N.C., Singh, V., Rathore, D.S., Venkatesh.B. and Sudhir Kumar, “Irrigation return flow from Canal Command in the Lokapavani Catchment of the Krishnaraja sagar Reservoir in Karnataka”, Proceedings of Workshop on Ground Water Resources Estimation, organized by CGWB and IIT Delhi at CSMRS, New Delhi, February 23-24, 2010.
113.	Jain Sanjay K., Sharad K. Jain and Ajanata Goswami, “Variability and trends in temperature precipitation and runoff in a Himalayan basin”, National symposium on climate change and water resources in India, Oragnised by Indian Association of Hydrologists, NIH Roorkee, 18-19 November, 2009.
114.	Jain, C.K., “Arsenic contamination and mitigation strategy with special reference to North East India”, Proc. Regional Workshop on Water Quality Management and its Related Issues, pp.29-39, November 25-26, 2009, CGWB, North East Region, Guwahati.
115.	Jain, C.K., Ghosh, N.C. and Patwary, B.C., “Phytoremediation: An ecological solution to clean-up the environment”, Proceedings of National Symposium on “Climate Change and Water Resources in India (CCWRIN)”, organized by Indian Association of Hydrologist, NIH Roorkee, November 18-19, 2009.
116.	Jain, Sanjay K., R D Singh and Anju Chanudahry, “Climate change, vulnerability and impact of climate change in mountain region”, National symposium on climate change and water resources in India, Oragnised by Indian Association of Hydrologists at NIH Roorkee 18-19 November, 2009.
117.	Jain, Sharad K, Vijay Kumar, “Climate Change and Trend of Key Hydrological Variables for India”, National symposium on Climate Change and Water Resources in India, NIH Roorkee, (Keynote paper), 18-19 November, 2009.
118.	Jain, Sharad K., Vijay Kumar, “Emission of Greenhouse Gases from Hydropower Projects – A Review”, National symposium on Climate Change and Water Resources in India, NIH Roorkee, 18-19 November, 2009.
119.	Jaiswal, R.K., Thomas, T., Galkate, R.V. and Singh, S., “Estimation of revised capacity of Benisagar reservoir using Remote Sensing and GIS”, National Workshop on Repair, Renovation and Restoration (RRR) of water bodies by CGWB, Sagar, 4-5 February, 2010.

120.	Jayasree, V., Venkatesh, B., "Flood frequency estimation for a risk prone river in east Uttar Pradesh". In the 2 nd Indian Disaster Management Congress, New Delhi, 4-6 November 2009.
121.	Jeyakanthan, V.S., and Sanjeevi, S., "Monitoring Reservoir Sedimentation Using Remote Sensing Technique", National conference on sustainable water resources management and impact of climate change, BITS-Pillani, Hyderabad, pp271-279, March 5-6, 2010.
122.	Joshi, R. Sharma, A.K. Lohani and A. Bashishtha, "A Study of Climate Change Impacts and the Indian Scenario", Proceedings of National Symposium on "Climate Change and Water Resources in India (CCWRIN)", organized by Indian Association of Hydrologist, NIH Roorkee, November 18-19, 2009.
123.	Kar, A.K., A.K. Lohani, N.K. Goel and G.P. Roy, "Flood Problem of Mahanadi Basin: Issues and Measures", National Symposium on Climate Change and Water Resources of India (CCWRIN), Organised by Indian Association of Hydrologists, Roorkee, November 18-19, 2009,
124.	Kar, A.K., A.K. Lohani, N.K. Goel and G.P. Roy, "Flood Forecasting Network of Mahanadi River Basin: A Critical Review", Second India Disaster Management Congress, New Delhi , November 4-6, 2009.
125.	Kumar, Bhishm, "Estimation of groundwater recharge using isotope techniques: a case study from Uttar Pradesh", Workshop on Ground Water Management in U.P. organized by State Water Resources Agency (SWaRA), U.P. in Lucknow on 20-21 August, 2009.
126.	Kumar, Bhishm, and S. P. Rai, "Isotope techniques for the identification of recharge zones of springs in mountainous regions", Presented during the Regional Workshop on Groundwater Management and Hydrochemistry in Uttarakhand organized by the Regional Directorate Office, CGWB, Dehradun, 17-18 February, 2010.
127.	Kumar, Rakesh, Manohar Arora, Sanjay Kumar and R.D. Singh,"Development of Regional Flood Frequency Relationships using L – moments for gauged and ungauged catchments of North Brahmaputra river system. Hydro-2009, National Seminar on Hydropower Stations – Advancement in Harnessing & Up Keeping, Dehradun, pp135 – 147, July 2– 3, 2009.
128.	Naresh Kumar, Manohar Arora and Hukam Singh, "Temperature variability analysis of Gangotri glacier", National Symposium on "Climate change and water resources in India", IAH, NIH Roorkee, pp80, 18-19 November, 2009.
129.	Kumar, S.R., "Effects of water quality parameters and some metals on human health: A review", Proc. Regional Workshop on Water Quality Management and its Related Issues, CGWB, North East Region, Guwahati, pp.68-77, November 25-26, 2009.
130.	Kumar, S.R., "Impact of fluoride on human health due to excess consumption through drinking water", Proc. Seminar on Shared Water – Shared Opportunities, The Institution of Engineers (India), Assam State Centre, Guwahati, pp.99-108, May 29, 2009.
131.	Kumar, S.R., "Variation of pH in shallow groundwater of Guwahati", National Seminar on Emerging Trends in Environment and Development with Focal Theme on Climate Change and Water Resources, Department of Environmental Sciences, University of Kerala, Kariavattom, Thiruvananthapuram, Kerala, October 8-9, 2009.
132.	Kumar, S.R., "Fluoride problem in groundwater of Greater Guwahati and its impact on human health", Seminar on "Future of Drinking Water in the City of Guwahati", Org. By ADESA at Guwahati, Oct. 8, 2009.
133.	Kumar, Vijay, "Estimation of net seasonal groundwater recharge by block kriging, National Workshop on Ground Water Resources Estimation, , Organised by CGWB and IIT Delhi at CSMRS, New Delhi, February 23-24, 2010.
134.	Kumar, Vijay, A K Lohani, R D Singh, "Decision support systems for water resources management, National Workshop on Hydroinformatics, M. S. University of Baroda, Vadodara, 14 February, 2010.
135.	Kumar, Vijay, Sharad K Jain, "Rainfall trends in Ganga-Brahmaputra-Meghna river

	basins of India (1951-2004)", National symposium on Climate Change and Water Resources in India, NIH Roorkee ,18-19 November, 2009.
136.	Lohani, A.K., "Dam Break Flood Analysis, "All India Workshop on Flood Risk Management", Jointly Organised by The Institution of Engineers (India) Roorkee Local Centre and National Institute of Hydrology, Roorkee, November 26-27, 2009.
137.	Lohani, A.K., "Soft Computing Techniques in Real Time Flood Forecasting, All India Workshop on Flood Risk Management", Jointly Organised by The Institution of Engineers (India) Roorkee Local Centre and National Institute of Hydrology, Roorkee, November 26-27, 2009.
138.	Lohani, A.K., A R Senthil Kumar, Rakesh Kumar, R.D. Singh, "Daily Flow Forecasting: Application of Soft Computing Techniques", WERI's 3 rd developing Nations conference: India 2010, Indian Institute of Technology (IIT), Madras, Chennai, January 5-7, 2010.
139.	Lohani, A.K., A. Bashshitha, Anita Punia. "Trend Analysis of Meterological Data- A Case Study, National Symposium on Climate Change and Water Resources of India (CCWRIN)", Organised by Indian Association of Hydrologists, Roorkee, November 18-19, 2009.
140.	Mathew K Jose and Venkatesh, B., "Analysis of Flow Pattern Versus Possible Climate Change in a sub-humid River basin o The Western Ghats". Proceedings of National conference on sustainable water resources management and impact of climate change, BITS-Pillani, Hyderabad, pp.82-91, March 5-6, 2010.
141.	Mehta, Rama and Vipin Kumar, "Analysis of Potential Evapotranspiration (PET) using ANN technique in Eastern Uttar Pradesh. National Symposium on "Climate change and Water resources in India" (CCWRIN), Indian Association of Hydrologists at NIH, Roorkee, 18-19 November, 2009.
142.	Mittal, Sanjay, Srivastava, S. L. and Kumar, C. P., "Jal Samasyaen Evam Jal Vigyaniye Anusandhan", Proceedings of National Conference on 'Varsh 2050 Tak Vishva Me Jal Ki Sthiti: Karan Aur Nivaran', Hyderabad, 55-62, 27 October, 2009.
143.	Pandey R.P., Rakesh Kumar and R.D. Singh, "Study on Relevance of Climate Change on Incidence of Floods and Droughts", Proceedings of National Symposium on "Climate Change and Water Resources in India (CCWRIN)", organized by Indian Association of Hydrologist, NIH Roorkee, November18-19, 2009.
144.	Patwary, B.C. and Jain, C. K., "Climate change vulnerabilities of North East India", Proc. Regional Seminar on Rainwater Harvesting, Hydrofracturing and other Techniques for Enhancing Yield of Ground Water Structures, , CGWB, North East Region, Guwahati, pp. 6-21, March 12, 2010.
145.	Patwary, B.C. and Jain, C.K., "Climate change and risk management in North East India", Proceedings of National Symposium on "Climate Change and Water Resources in India (CCWRIN)", organized by Indian Association of Hydrologist, NIH Roorkee, November 18-19, 2009.
146.	Purandara, B.K., Bhishm kumar, Rao, M.S. and Verma, S.K., " Isotopic Technique for Evaluating Artificial Recharge to Groundwater: A Case study from Maharashtra", Workshop Volume on Radon Contamination in Groundwater and Application of Isotopes in Ground water Studies, Edited by K. Md. Najeeb and Mr. N. Vinayachandran: Proceedings of the one day workshop held on organized by CGWB, Bangalore, March 26, 2010.
147.	Rai, S.P., Bhishm Kumar and J. S. Rawat, "Factors controlling water yield capacity of micro-watersheds of Almora, Uttaranchal, India", Presented during the Regional Workshop on Groundwater Management and hydrochemistry in Uttarakhand", organized by the Regional Directorate Office, CGWB, Dehradun on 17-18 February 2010.

148.	Rai, S.P., Bhishm Kumar, "Application of isotopes in climate change studies", National Symposium on Climate change and water resources in India, organized by IAH at NIH, Roorkee, 18-19 November, 2009.
149.	Rasheed, K., Muhammad Shafeeqe, Chandramohan, T. and Balchand, A.N., "Exposition on the decadal fluvial dynamics of Central Kerala waterways", Proceedings of 22 nd Kerala Science Congress, , KFRI, Peechi, pp.387-388, 28-31 January, 2010.
150.	Rathore D.S. and Tanveer Ahmed, "Basin and river network delineation using GLOBE digital elevation model", Regional Workshop on Water management and Hydrochemistry in Uttarakhand, CGWB, Dehradun. Uttarakhand. February 18- 19, 2010.
151.	Rathore D.S. Flood Mapping Using Remote Sensing and Hydrological Modeling", National Workshop on Flood Risk Management, The Institution of Engineers, Roorkee. November 26- 27, 2009.
152.	Rathore D.S., M. Arora, P.K. Agarwal, "Snow and glacier resource of Uttarakhand", Regional Workshop on Water management and Hydrochemistry in Uttarakhand, CGWB, Dehradun, February 18- 19, 2010.
153.	Rathore D.S., Sharad Kumar Jain, Yatveer Singh, P.K. Agarwal, Tanveer Ahmed, "Basin and river network delineation using SRTM digital elevation model", National Symposium on Climate Change and Water Resources in India, IAH, Roorkee. November 18-19, 2009.
154.	Rathore, D.S., M Arora, R D Singh, G Gupta and A Dheeman, " Snow and Ice mapping in Bhagirathi basin up to Loharinag Pala using remote sensing", Proceedings of National Symposium on "Climate change and water resources in India", IAH at NIH Roorkee, pp. 78 -79, 18-19 November, 2009.
155.	Sarkar, Archana, Sharma, N., Garg, R.D. and Arora, M., "River Channel Changes of the Brahmaputra in India using Geospatial techniques", Proceedings of National Symposium on "Climate Change and Water Resources in India (CCWRIN)", organized by Indian Association of Hydrologist, NIH Roorkee, November 18-19, 2009.
156.	Sharma, M K, Choubey, V K and Singh, R D, "Ground water quality status of Doon Valley, Dehradun and Hardwar district of Uttarakhand state", Abstract Volume, Regional Workshop on "Water Management & Hydrochemistry in Uttarakhand" organised by Central Ground Water Board, Uttaranchal Region, Dehradun, pp54, 18-19 February, 2010.
157.	Sharma, M.K., Singh, R.D. and Choubey, V.K., "Groundwater Quality in NCT, Delhi" National Conference on "Management of Water, Air, Noise, Solid Waste and Plastic Waste during Commonwealth Games at New Delhi", organised by IDC Foundation, New Delhi, 6-7 November, 2009.
158.	Singh, Omkar, Choubey, V.K., "Assessment of Ground Water Pollution in Haridwar District, Uttarakhand using PCA", Paper presented in Regional Workshop on "Water Management & Hydrochemistry in Uttarakhand", organised by Central Ground Water Board, Uttaranchal Region, Dehradun, 18-19 February, 2010.
159.	Singh, R. D. and Kumar, C. P., "Impact of Climate Change on Groundwater Resources", Proceedings of 2 nd National Ground Water Congress, New Delhi, 332-350, 22 March, 2010.
160.	Singh, R.D. and Singh, S., "Groundwater Management & Its Quality", Workshop on Water management and Hydrochemistry in Uttarakhand, organized by CGWB, Dehradun, 18-19 February, 2010.
161.	Singh, S. and Kumar, C.P., "Assessment of Groundwater Recharge and Flow Simulation to Study the Impact of Climate Change", Workshop on "Ground Water Resources Estimation" organized by CGWB and IIT New Delhi, at New Delhi, February 23-24, 2010.
162.	Thayyen R. J., "Defining 'Himalayan catchment' for better understanding of climate change impact on Himalayan glaciers and river flows", National Symposium on Climate Change and water resources, NIH, Roorkee, 18-19 November, 2009.

163.	Thayyen R. J., Goel, M. K. and Kumar, N., "Some recent observations on Glacier change in the Western Himalaya", Workshop on Impact of Climate Change on water resources in India, CSMRS, Delhi, 21 July 2009.
164.	Thayyen, R. J., "Climate change impact on cryospheric systems of Jammu & Kashmir", Workshop on Roof top rainwater harvesting and Spring recharge, CGWB, Jammu, 10 February, 2010.
165.	Thayyen, R. J.. "Deciphering the message of changing cryosphere of Jammu & Kashmir", Invited lecture in "Brainstorming session on water: Present and future" organized by the Himalayan Ecological Research foundation, Jammu University, 22 March, 2010.
166.	Tyagi, J V., Kumar, Rakesh and Singh, R.D. "Soil Moisture Monitoring and its Importance in On-Farm Water Management", paper presented in Workshop on Water Management and Hydro-Chemistry in Uttarakhand, CGWB, Dehradun, February 18-19, 2010.
167.	Tyagi, J.V., Kumar, R., and Singh, R.D. "A Review of Technological Options for Improved Agricultural Productivity per Drop of Water", 44 th ISAE Annual Convention & Symposium, New Delhi, January 28-30, 2010.
168.	Varadaraju, S., Hanumanthappa and Venkatesh, B., "Suitability of coastal soil water for Brackishwater Shrimp Culture along Udupi District Karnataka State", Proceedings of National Symposium on "Climate Change and Water Resources in India (CCWRIN)", organized by Indian Association of Hydrologist, NIH Roorkee, November 18-19, 2009.
169.	Venkatesh, B. and Chandrakumar S., "Development of base flow indices for rivers of Western Ghats of Karnataka State", ", Proceedings of National Symposium on "Climate Change and Water Resources in India (CCWRIN)", organized by Indian Association of Hydrologist, NIH Roorkee, November 18-19, 2009.
170.	Venkatesh, B., Lakshman Nandagiri, Purandara, B.K. and Reddy, V.B., "Variability of soil hydrologic characteristics under different land covers – a case study from Sahayadri mountains, India", Proceedings of National Seminar on Sustainable Water Resources Management", Organised by NITK, Surathkal, 2009.
171.	Vijaya Kumar, S.V., Mohan Rangan, D., Rao, U.V.N. and Rao. P.R., "Short duration rainfall analysis for Kakinada city", National Conference on Sustainable Water Resources Management and Impact of Climate Change, BITS-Pillani, Hyderabad, pp 207-216, March 5-6, 2010.
172.	Vijaya Kumar, S.V., Rao, P.R., Rao, U.V.N. and Vijaya. T., "Impact of Urbanization on Shallow Aquifer of Kakinada City", National Seminar on Conservation of Lakes and Water Resources", MPUAT, Udaipur, Rajasthan, February 19-20, 2010.
